

FRASER RESIDENCE

— BLACKFRIARS - LONDON —

STEP INTO A CORNER OF HISTORY IN THE CITY

Fraser Residence Blackfriars is a well-designed residence comprising 12 One Bedroom apartments situated in the heart of the City of London. Each apartment has been cleverly appointed to create light and airy living spaces offering views over a tranquil ancient tree lined city courtyard. The apartments have modern furniture and fixtures with a business lifestyle in mind.

Fraser Residence Blackfriars is right in the Square Mile and close to many financial institutions. The property is located on a site of great historical interest: Playhouse Yard, the former site of Shakespeare's Winter Theatre which was originally a Dominican monastery called 'Blackfriars Monastery' due to the black robes worn by the Dominican monks or friars. The pulsating area offers a wealth of cafes, bars, restaurants and boutiques along with wonderful historical pubs such as 'The Blackfriar', an Arts and Crafts architectural gem which is considered to be one of the City's finest public houses.
